SUBJECT.
Proposal to select Messrs C. Jayaraman Reddy & S. Krishnaswamy for undergoing Superior Forest Service Course (1942-44) at the Indian Forest College, Dehra Dun.

Dec 41

Serial No. 1

From the C.C.F.

No. E 86-343-40 of 6.8.1941

Enquiring if action may be taken to advertise for and select two candidates who are prepared to undergo the Superior Forest Service Course at Dehra Dun for 1942-44 Course and recommending the payment of allowances to the candidates.

The C.C.F. states that the G.G. of Forests to the Govt of India has intimated that 2 seats are likely to be allotted to Nepal for the Superior Forest Service Course Dehra Dun commencing on 1st April 1942. The Residency has also intimated that 2 seats have been reserved for Nepal on the assumption that the 2 candidates will be sent. As the Course commences from 1st April 1942, the CCF will if applied, be requested to take action to call for applications as suggested by him.

2 — The CCF proposes to put the candidates selected through a course of practical & field training in our forests for about 6 months before they are sent for training. It is stated in this connection that most of the officers in the Dept who have received foreign training were, prior to their going to the foreign school, either Forest Probationers, Probationary Rangers or Foresters.

The CCF adds that the Course is

a cutting one amounting Rs 10,000/- to Rs 11,000/- and that if applications are called for specifying that the candidates should defray their training costs really intelligent & well suited people are likely to be debarred for want of means. We therefore suggest that Govt should at least offer a stipend of Rs 50/- each p.m. when under practical training here and Rs 100/- when at Dehra Dun. At this rate the cost for each for ~~[illegible]~~ the full ~~complete~~ course would be Rs 2700/- If this is approved the C.C.F. will probably insert it in the advertisement calling for applications.

3) The previous papers are put up with the Residency letter & will be sent on receipt of that file with orders.

Mr. [illegible] 1.8.41

I think, that applications may be called for, in the first instance, with the condition that the entire cost of the course should be met by the candidates themselves. If suitable persons do not come forward, then perhaps, ~~substantial~~ stipends may be offered. They have to take training here also, at their own cost for six months. The CCF states that the candidates will have to be selected before the end of September 1941

Subject.— Proposal to select Messrs. C. Jayarama Reddy and S. Krishnaswamy for undergoing Superior Forest Service Course at Dehra Dun.

"C" In his letter No. R. F. 351-40/ G. & A. dated the 28th September 1940, the Secretary to the Hon'ble the Resident stated that, in order to consider the question whether the courses for the training of candidates for the Superior Forest Services at the Indian Forest College, Dehra Dun, should be instituted in future, it was necessary to have a forecast of the number of students likely to attend such courses, and that the Government of India would therefore like to know the number of students that the Mysore Government would depute for each of the three courses for the years 1942-44, 1944-46 and 1946-48, should it be decided to hold the same.

"W" The Chief Conservator of Forests who was consulted in the matter stated that, on the basis of ten vacancies likely to occur in the gazetted ranks of the Department during the years 1942-48, at least six men would ~~be~~ required to be trained, leaving four vacancies for promotion of deserving men from the Rangers' cadre, and that accordingly two seats for each course would be the minimum requirement. The Residency was then informed that two seats might be reserved for Mysore ~~to~~ each of the three courses.

"X"

"Y" In August 1941, the Residency intimated that two seats had been provisionally allotted to Mysore for the course commencing from 1st April 1942 and desired that they may be definitely intimated whether the two seats would be utilised.

"D" Thereupon the Chief Conservator of Forests was instructed that applications might be called for, prescribing the necessary qualifications, and referred to a Committee consisting of the Public Service Commissioner, the Chief Conservator of Forests and the General Secretary to Government for selection of the

the best candidates who are able to meet the cost of the course themselves, with the help of a stipend proposed to be given as stated in the notification dated 3rd September 1941 of the Chief Conservator of Forests calling for applications. In response to the notification, 15 applications were received, out of whom the Committee has recommended the selection of the marginally noted two candidates.

1. Mr. C. Jayarama Reddy, M.Sc.,
2. Mr. S. Krishnaswamy, M.Sc.

It is proposed to give these selected candidates a course of preliminary practical training before they join the Forest Research Institute and College, Dehra Dun, paying each of them a stipend of Rs 50/- per mensem during this period. Considering the heavy cost of training at Dehra Dun, it is also proposed to give them a monthly stipend of Rs 100/- each subject to satisfactory progress. Apart from this, it has been made clear that no other financial aid will be given by Government.

The Dewan and the other Ministers are agreeable to these proposals and I solicit the gracious approval of His Highness to the same.

GENERAL SECRETARY.
8 AUG. 1941

SIR,

In continuation of my letter of even number dated 23rd October 1940 and un-official Note Camp No.17/40 dated the 14th June 1941 in regard to reservation of seats to Mysore students for the next biennial superior Forest Service Course, I have the honour to forward herewith a copy of letter number 9553/41-III-91 dated the 28th July 1941 received from the Inspector General of Forests to the Government of India informing me that two seats are likely to be allotted to Mysore for the next course commencing from 1-4-1942 and to request to be informed whether action may in the circumstances be taken to advertise for and select two candidates. The candidates will have to be selected before end of September next so as to put them through a course of practical and field training in our forests for six months before they are sent for training to the Institute as this preliminary training is very essential and helpful to the candidates in their future course at the institute. In deputing candidates for training, this course has always been adopted except in rare circumstances.

The course is a costly one, the tuition fees and maintenance costing altogether about Rs.10,000/- to 11,000/- for the two years. If applications are to be called for specifying that the candidates should defray their training costs themselves obviously, many of no means but other wise hardy, intelligent and well suited will be practically debarred, though I feel two candidates who can pay their costs of training

P.T.O.

can be secured. I feel Government should offer atleast a stipend of Rs.50/- per month when under practical training here and Rs.100/- per mensem when at Dehra Dun..

Early orders are requested.

I have the honour to be,
Sir,
Your most obedient servant,
Chief Conservator of Forests.

Letter No.9553/41-III-91 dated the 28th July 1941 from the Inspector General of Forests to the Government of India to the Chief Conservator of Forests in Mysore, Bangalore.

With reference to your E.86-343-40 dated July 5, 1941, I have the honour to say that so far as I can foresee two seats have been allotted to Mysore for the next biennial Superior Forest Service Course commencing April, 1, 1942,. I think you can safely count on this but I have not yet actually had the approval of the Government of India to this allotment. I am expecting it any day.

SIR,

I am directed to refer to your letter No.Pol.598/Ft.87-40, dated the 1st November 1940.

2. The Government of India have decided to continue the biennial course for Superior Forest Service at Dehra Dun for 1942-44 with 27 students as per distribution list enclosed. This is on the assumption that the number of students allocated to each Province and State will be actually forthcoming to constitute the class. I am to request you kindly to confirm this assumption urgently so far as the Mysore State is concerned.

3. The Inspector General of Forests has suggested that as the cost of travelling has gone up, the amount to be allotted by the deputing authorities for travelling expenses should be raised from Rs.800/- to Rs.1,000/- for two years, and His Excellency the Crown Representative commends this suggestion for acceptance by the States.

I have the honour to be,
Sir,

Sir,

I am directed to refer to your letter No.Pol.353/Ft.33-41-4, dated the 21st August 1941.

2. The Inspector General of Forests to the Government of India writes that he would be grateful if he could be informed by telegram whether the two seats which have been provisionally reserved for the Government of Mysore would definitely be required by them or not. He explains that it is getting very late to allot seats, that for financial reasons it is necessary that he should fill the class, that he has a request for three seats which he is unable to allot for want of space, but for which candidates are ready, and that if the Government of Mysore are not likely to take up the two seats reserved for them he could allot them to others at once.

3. In the circumstances, I am to request that the Government of Mysore will be so good as to send, very urgently, a definite reply in the matter.

2 In response to the above notification, the Chief Conservator received 15 applications as detailed in the enclosed statement. As most of these applications did not conform to one or the other of the conditions specified by the Chief Conservator in the notification, the Committee held a preliminary meeting on the 17th instant to consider and decide which of the applicants should be called for an interview. After going through all the applications the Committee finally decided to call for an interview the marginally noted 8 applicants only.

Messrs.
1. N.K.Ananthanarayana Iyer,
2. S. Ameer Ahmed,
3. C.Jayaram Reddy,
4. H.K.Karve,
5. S.Krishnaswamy,
6. K.Ramaiah,
7. C.S.Ramaswamy and
8. T.S.Revanna.

The main reasons for the rejection of the other 7 applications were as follows:-

(a) 4 applicants wanted to be deputed at Government cost
(b) 2 of the applicants were not Natural Science graduates and
(c) one application was received long after the due date and the applicant was also nearly 27 years old.

The 8 applicants referred to were called for an interview on the 20th instant. Only 7 appeared and these were examined by the Committee. The other applicant who did not appear that day was given another chance, and he appeared to-day and expressed his inability to take up the course on financial considerations. The case of Mr. Ananthanarayana Iyer was ruled out of consideration as he has not yet taken the Degree and it was understood that he has to sit again for the practical examination. Mr. Ameer Ahmed requires financial accomodation by way of a loan of Rs.5,000/- and as such his case was also not considered. Of the remaining five candidates, Messrs. Jayarama Reddy and S.Krishnaswamy, who are both M.Sc's and who possess good testimonials were considered to be the best suitable for selection. The Committee accordingly recommend the names of these two candidates.
